

PRE- SELF EVALUATION QUESTIONNAIRE

TREE TRAINING COURSE

This questionnaire is to be filled by the students before the start of the TREE training course. It is NOT to be marked or assessed. Its purpose is to establish a personal knowledge and attitude baseline.

PRE-SELF-EVALUATION (KNOWLEDGE, SKILLS, ATTITUDE)				
QUESTION	YES	NO	TO SOME EXTENT	I DO NOT KNOW
1. Are you familiar with the concept of Circular Economy (CE)?				
2. Do you use a reusable bag when you go to the supermarket?				
3. If you could choose between using a car and a train/tram/bicycle, what would you choose?				
4. Do you know what the Sustainable Development Goals (SDGs) are?				
5. Have you ever been involved in a project on sustainability?				
6. Do you recycle?				
7. Are you familiar with the "sharing economy"?				
8. Do you know what "green skills" are?				
9. Are any "green skills" part of your skill set?				
10. Are you interested in having a "green job" (job that contributes to the preservation of the environment)?				
11. Do you know if your country has any policies and regulations regarding sustainability and environmental protection?				
12. Have you ever calculated your carbon footprint?				
13. Do you know of any sustainable practices in your chosen professional field?				
14. Do you know what eco-labelling is?				
15. Do you choose organic/bio/eco products when at the store?
